# APPLE FUNDRAISER

Visit our website for more information on apples [www.davisonorchards.ca](http://www.davisonorchards.ca)

A 4<sup>th</sup> generation family farm established in 1933, **Davison Orchards** specializes in apples. Nestled in the hills of the B.C. Okanagan valley, our goal is to produce fresh, high quality fruit and vegetables in a safe, sustainable and environmentally sensitive manner.

## Honey Crisp

The flavour of the Honeycrisp is what makes it one of our most popular varieties. It is sweet with hardly any trace of acidity. This is a great example of a juicy and instantly refreshing apple. It is genuinely crisp and crunchy; however, the crunch is surprisingly light because of the apple's unique flesh.

## Royal Gala

A fresh Gala is a glorious mild sweet flavour. It's juicy, it's crisp and their mellow flavour and thin skin make them a great choice for lunches and kids snacks. The Royal Gala is both crisp and tender, no wonder it's been a customer favourite for years!

## Okanagan Blend

Leave it to us to choose 2 of the specialty Okanagan apple varieties for you! Open the box and enjoy the surprise!

## Ambrosia

The Ambrosia is a low-acidic apple making it easy for kids and grandparents to digest. This medium sized apple can be identified by it's red flush over it's yellow background.
