Administrators' Message

The busy holiday season is upon us and every year it appears to come more quickly! It has been nice having a reprieve from the cold weather so the students can play outside and burn off the excess energy! We hope you will join us for the many activities happening at Brentwood in December.

On behalf of the staff, we wish you a happy holiday season. We wish you a Merry Christmas and all the best in 2018!

Christine and David

Boundaries

As you're aware, Elk Island Public Schools (EIPS) is opening a new K-6 school in Sherwood Park, named Davidson Creek Elementary, in fall 2018. In preparation for the new school, the Board of Trustees recently approved the new school's attendance boundaries and, consequently, the new elementary and junior high attendance boundaries for the northeast quadrant of Sherwood Park. A letter is being sent home that will describe exactly how the changes will impact your children. General information is also available by visiting the EIPS [webpage](#).

Please note that students residing in the Davidson Creek Elementary attendance area will be designated to this new school and boundary exemptions will not apply. The exception is for "grandfathered" students entering grade 6. Students in grade 6 for the 18/19 school year may continue (finish) at their current elementary school. The new attendance boundaries do not apply to students taking French Immersion, German Bilingual, Alternative Christian, Logos and system programs.

Kindergarten Registration Starts Soon!

Is your child turning five on or before Dec. 31, 2018? If so, it's almost time to register for Kindergarten.

Kindergarten registration opens for the 2018-19 school year on Jan. 15, 2018. To register, simply complete the online registration form at www.eips.ca/kindergarten.

KINDERGARTEN REGISTRATION CHECKLIST:

- Determine your child's designated school
- Scan and upload all required documents: proof of name, residence, date of birth and citizenship.
- Additional documents to scan, if applicable include: Guardian Letter and Parental Custody Agreement if restrictions on access.

- Once the online registration is complete and submitted, a confirmation notice will be sent to the given email address.

NOTE: The online registration form is available as of Jan. 15, 2018—the paper version is no longer available.

To help families prepare, Elk Island Public Schools has put together an online toolkit to make the transition as smooth as possible. The kit includes information on registration, important dates, programming options, what to expect, eligibility, how to find your designated school, transportation and more. Find it by visiting <http://www.eips.ca/programs-services/kindergarten>.

Kindergarten Programming

As you know, EIPS is changing its kindergarten program. Starting in the 2018-19 school year, all elementary schools will offer one kindergarten option, alternating full-day programming.

Changes Coming to Kindergarten Programming

Elk Island Public Schools (EIPS) is changing its kindergarten program. Starting in the 2018-19 school year, all elementary schools will offer one kindergarten option, alternating full-day programming. Children will attend two full-days a week and occasionally, three days a week to meet the required 475 instructional hours—the quality and hours of education will remain the same. Already, more than half of EIPS' elementary schools offer the alternating full-day kindergarten, which have all seen positive results around preparing students for successful transitions to Grade 1.

The decision to standardize kindergarten programming is based on available funding to sustain the noon-hour bus service. The alternating full-day program allows the Division to keep education dollars in the classroom rather than subsidizing transportation.

The complete kindergarten program schedule will be available prior to registration on January 15. For more information, visit www.eips.ca.

Cold Weather and Indoor Recess

If the temperature including the windchill is -22°C or colder, students shall remain indoors for recess and/or activities. During cold winter days, please make sure students are dressed appropriately with hats, boots, mittens etc.
